

Continuing Education Credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the Academy of Spinal Cord Injury Professionals. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.”

The Institute for Medical Studies designates this Journal-based CME activity for a maximum of 1 *AMA PRA Category 1 Credits™*.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity will expire July 15, 2017.

This activity received no commercial support.

Statement of Need and Target Audience

Exchange, interaction, and cooperation are the cornerstones of optimal patient care. Educational opportunities that promote learning and collaboration are needed to advance clinical and scientific research and its subsequent translation to clinical practice. Targeted to Physicians and Researchers.

Evaluation and CME Certificates

Credit is only given to individuals that read The Journal of Spinal Cord Medicine article Sleep disordered breathing in spinal cord injury: A systematic review, and the Editorial, What is the next best step in patients with spinal cord injury who report poor sleep?, take the electronic post-test and pass with 80% accuracy. The link to the test is <http://www.cvent.com/d/ffq61f>.

After you have completed the post-test, will be directed to the evaluation. Once you have completed the evaluation, an email will be generated to you. In that email, you can click on the link and print your CME certificate. Call Kim Ruff at (217) 753-1190 with questions.
